Any item on the Medical History with a "YES" response, in questions #4-13 could require a Medical Clearance from a licensed physician if the explanation section indicated the possibility of a systemic condition that could affect the patient's suitability for elective dental treatment during the examination. The Medical Clearance must include the physician's name, address, and phone number.

I certify that I have read and understand the above. I acknowledge that I have answered these questions accurately and completely. I will not hold the testing agency responsible for any action taken or not taken because of errors I may have made when completing this form.
