ATTENTION CDCA CANDIDATE

It is important that you understand your responsibilities as a CDCA candidate at this site. Review the following material thoroughly. Cubicle assignments for CDCA dentistry candidates will be given at check-in on the day of the examination.

FACILITY FEE

All candidates participating in the Commission on Dental Competency Assessments Examination at this site are assessed a facility fee.

Facility fee \$80.00 USD per day (Jamaican residents)

\$200.00 USD per day (Foreign residents)

Payment is to be made to the Jamaica Dental Council on 50 Half Way Tree Road when you complete the application to apply to take the dental council exam.

PATIENT PROCUREMENT

PROCUREMENT OF CDCA PATIENTS RESTS SOLELY WITH THE CANDIDATE, as the College assumes no responsibility to identify potential patients. The college does not provide assistants or interpreters for candidates.

Candidates must have screened their patients prior to arriving at the College of Dentistry for the CDCA examination.

CLINIC EQUIPMENT. INSTRUMENTS AND MATERIALS:

All dental chairs are equipped with an A-dec air/water syringe, a saliva ejector and HVE. Disposable air water syringe tips are stocked into the cubicle. Candidates should furnish their own hand pieces, instruments, burs, cavitrons, curing lights, patient and clinician protective eye wear, and blood pressure cuffs.

All instruments, and equipment procured from the dispensing desk must be returned immediately at the conclusion of the examination.

Consumable products necessary for the exam to include all barriers, gloves, masks, saliva ejectors, prophylaxis materials, and restorative materials will be available at the dispensary window. All disposable supplies for the manikin portion of the CDCA exam are also provided in a designated area of the clinic. Candidates are encouraged to bring their own consumables if there are personal preferences.

INFECTION CONTROL

Instrument sterilization services are available at prep dispense window. Submit your instruments to the "contaminated instrument" delivery window at the dispensing window. It will take approximately 1 1/2 hour to sterilize your instruments.

All candidates are responsible for disinfection of the dental cubicles and equipment before and after patient treatment. Barriers to include blue wrap, papers for the counter top, head rest covers, patient napkins are located in the clinic area.

PATIENTS & PARKING

Dentistry candidates are responsible to provide their own patients for the CDCA exam. There is free parking available on the premises of the dental school.

Candidates may arrange, by appointment, to visit the College before the exam by emailing Dr. Schuerman.

X-ray facilities can be made available to candidates upon request. Appropriate fees are charged for radiographs.

The College of Dentistry will admit candidates at 6:30 A.M. to the clinical areas.
