

2019 CDCA Dental Hygiene Examination at Illinois Central College Information Sheet

Illinois Central College will serve as a testing site for this clinical examination and requires a \$75.00 site fee to help defray the cost of materials and supplies and equipment used during the examination. This fee is required of all candidates not enrolled at Illinois Central College and must be received two weeks prior to the examination.

This fee entitles each candidate to the following items:

- paper towels
- disposable instrument tray
- light handle barriers
- patient napkin/drape
- saliva ejector
- disinfecting solution
- polishing agents
- prophy cups and brushes
- handpiece with disposable prophy head (\$200 security deposit required)
- sterile gauze, cotton rolls, swabs
- disclosing agents
- floss and/or dental tape
- blood pressure equipment
- gloves
- masks
- autoclave bags and tape
- cavitron ultrasonic scaler (30K); **bring insert tip**

Candidates will **not** be provided with instruments or any other items and should furnish such necessities as required, nor will radiographic facilities be available prior to the examination.

The ICC Dental Hygiene Clinic has A-dec dental chairs, the delivery system is over the patient, and appropriate operator stools. Handpieces are available for those needing them once the \$75.00 site fee and a \$200.00 security deposit are received. The security deposit of \$200.00 will be returned when the handpiece is returned in its original condition.

If the candidate does not wish to use the available handpiece, one check for the \$75.00 site fee is required. Credit/debit cards are not accepted. Candidates may bring their own cavitron units.

Please note that the dental hygiene clinic, and therefore the testing site, is **not** on the main ICC campus in East Peoria. To find a map, one can access the ICC website at www.icc.edu. Click on Directory and Maps and scroll down to Campus Maps and Parking. Scroll to Peoria campus. The Dental Hygiene Clinic is located in Arbor South 110. A map of the Peoria Campus is attached.

Parking is free and located in Parking Lot 1 or 1A.

Although we will not act as a reservation agent for candidates needing overnight accommodations, the most convenient lodging locations are:
