The facility fee for this site is $100.00, payable via money order, made out to QCC Trust Fund.

The security deposit is $200.00, payable via personal check, and will be returned to the candidate upon receipt of lent items and satisfactory disinfection and clean-up of unit.

Payment of both fees must be made prior to the examination.

Candidates are responsible for supplying their own masks, face shield, disposable gown, sonic scaler tips (30K), instruments. We use 30K sonic scalers with the black sleeve. We will provide the sleeve. Additionally candidates must transport instruments in a hard sided container for safety. All items procured from the central supply area must return them upon conclusion of the exam. Damage or loss of clinic property will result in an appropriate deduction of the cost of the item(s) from the candidate’s security deposit. If the amount owed exceeds the amount of the security deposit, the candidate will be responsible for paying the difference. Candidates not cleaning their work area after the exam will be reported to CDCA, assessed a “clean-up fee” by the QCC Dental Hygiene Dept and this fee (not to exceed $50) will be deducted from the security deposit.

Consumable products necessary for the exam including gloves, all barriers, paper towels, gauze, etc. will be provided and are stocked at the unit.

The Dental Hygiene Clinic is located in the Administration Building (first building on left when coming up the driveway). For the CDCA 2020 exam all persons must enter through the back door #8. There will be a sign posted on the door. Please drive all the way around the building to the back side. Parking behind the building is limited so you may need to park on the side and walk. You may park is staff and faculty parking for the exam.

All persons entering campus must wear a mask and practice social distancing. While waiting to be checked in please do not congregate in groups unless you are standing 6’ apart.

Before entering the building you will be checked in, pass in your COVID-19 screening form, have your temperature taken, and asked if there have been any changes to your answers on the form. You will then be escorted to your unit.

For driving directions and a map please visit www.qcc.mass.edu.
