

Quinsigamond Community College

670 West Boylston St.

Worcester, MA 01606

2020 CDCA

All candidates participating in the Commission on Dental Competency Assessment at this site are assessed a \$100.00 facility fee, payable with a money order made out to QCC Trust Fund. In addition to the facility fee, all candidates who plan on utilizing ultrasonic instruments and low speed hand pieces belonging to the QCC Dental Clinic must leave a \$200 security deposit (personal check) which will be returned to the candidate upon returning the items. Payment of these fees are to be made prior to the examination.

Candidates are responsible for providing their own instruments, sonic scalers, local anesthetic syringe, Oraquix hand piece and blood pressure cuff and stethoscope. We use 30K sonic scalers with the black sleeve. Additionally candidates are to bring a hard sided plastic container to transport their used instruments, this container must be marked with a biohazard sticker. All items procured from the central supply area must be returned immediately at the conclusion of the examination. Damage or loss of clinic property will result in an appropriate deduction of the cost of the item(s) from the candidate's security deposit. If the amount owed exceeds the amount of the security deposit, the candidate will be responsible for paying the difference. **Candidates not cleaning their work area after the exam will be reported to CDCA, assessed a "clean-up fee" by the QCC Dental Hygiene Dept and this fee (not to exceed \$50) will be deducted from the security deposit.**

Consumable products necessary for the exam including gloves, masks, saliva ejectors, prophylaxis paste, disposable prophylaxis angles, dental floss, gauze, local anesthetic cartridges and needles, and all barriers will be provided and are stocked at the cubicle.

The Dental Hygiene Clinic is located in the Administration building. You can park in the faculty and staff, visitors or student parking lots. For driving directions and a map, visit our web site at www.qcc.mass.edu.
