The candidate must supply the following when testing at UFCD:

- All disposable supplies
 - SITE SPECIFIC air/water (A/W) syringe tips: [Pinnacle Seal Tight A/W syringe tips](#). (No other syringe tip will function in the unit, please don't try it as it could result in lost time during the exam)
 - Infection control products:
 - Gowns, masks, eye protection (candidate and patient)
 - Covers for dental chair/unit clear plastic bags for front delivery, dental assisting arm, chair head rest)
 - Plastic trash bag.
 - Head rest covers
 - Saliva ejectors, HVE suction tips, with plastic barriers (covers) for both as well as for the A/W syringe tips.
 - Patient Bib (recommend using bib-eze or masking tape to secure on the patient and avoid using bib chains)
 - Cotton rolls, gauze, cotton tip applicators, etc.... procedure specific materials.
- All dental instruments and dental materials the candidate plans to use for the examination procedures, including all check-in/check-out instruments and carrying cases. Review the ADEX Candidate Manual for the specifics about what the CDCA requires for check-in and grading instruments and supplies.
- **Handpieces:**
 - **ULTRASONIC:** Dentsply, [Cavitron 30K Sterimate handpiece](#) (which is detachable and serializable), and all **30K ultrasonic inserts**.
 - **DO NOT BRING a Sterimate Swivel or Sterimate 360 to this exam site. These handpieces will not work at this site.**
 - **If you do not bring the proper Sterimate handpiece and inserts, then you should plan to scale by hand.**
 - There is one fiber optic hose to be used with the **low speed handpiece**. Handpiece must be a [Midwest or similar 4-5 hole back-end](#).

INFECTION CONTROL:

As a candidate for the dental hygiene exam in the state of Florida, you are expected to know the OSHA, EPA and Florida DOH regulations and ADA/CDC standards with regards to infection control. At UFCD we practice Spray-Wipe-Spray (Wipe-Discard-Wipe) and provide the surface disinfectant to complete the task.

INFECTION CONTROL-continued:

Candidates not cleaning their work area after the exam will be reported to the CDCA, and assessed a “clean-up fee” by the College of Dentistry and appropriately billed \$50.00 for this service.

INJECTABLE LOCAL ANESTHESIA:

Injectable local anesthesia is not permitted for the ADEX dental hygiene exam at the UFCD testing site.

PATIENTS & PARKING:

Candidates are responsible to provide their own patients for the ADEX exam. There will be no way to examine your patient at UFCD prior to the exam. You need to make arrangements elsewhere to examine your patient prior to the exam.

There is a fee for parking on regular business days. Plan to pay \$10.00/vehicle/day when you are at UFCD on a Monday –Friday until midnight. NO vouchers are provided by the University of Florida, College of Dentistry.
