

Facility Information for the American Board of Dental Examiners (ADEX) examination administered by CDCA-WREB

**Attention CDCA-WREB/ADEX candidate:**

The CDCA-WREB/ADEX will conduct a Dental Hygiene Examination at Concorde Career College – Aurora, Dental Hygiene Clinic. The exam date is **Saturday, June 4<sup>th</sup>, 2022**. The Dental Hygiene Clinic is located at 111 N. Havana Street, Aurora, Colorado 80010. Please read the following information carefully as it will be an important tool for your success in this examination.

**Facility usage fee for this exam:**

The site fee is \$200.00 (must be a CASHIER'S CHECK or MONEY ORDER) payable to Concorde Career College – Aurora. This fee must be received no later than May 10<sup>th</sup>, 2022. Please complete the attached Facilities Form and mail to the address listed below.

**NO CASH OR PERSONAL CHECKS WILL BE ACCEPTED.**

Mail Payment to: Attn: Diana Gengozian, DH Clinic Coordinator  
Concorde Career College, Denver Hygiene Clinic  
111 N. Havana Street Aurora, CO 80010

**Questions and Answers Information:**

Insert date and time for the Q&A session for your school. Please note that orientation is provided online only through this link: <https://www.cdcaexams.org/dental-hygiene-adex-exam/dental-hygiene-exam-orientation/>. Candidates must watch the orientation before attending the scheduled Q&A session.

**Clinic equipment, instruments, & materials provided by the school:**

The site fees assessed to each candidate *covers the cost of all disposable supplies*: patient napkins, masks, disposable gown, latex free gloves, over gloves, saliva ejectors, HVE, HVE covers, cotton tip applicators, cups, tongue depressors, cotton rolls, plastic operatory barriers, polishing agents, gauze, floss, disposable dappen dishes, prophylaxis angles, and wipes for disinfection.

**Candidate must supply material list:**

*The following will not be provided:* Instruments, ultrasonic units, slow speed hand pieces for engine polishing with 4-hole connector, prophylaxis rings, protective eyewear with side shields, face shields, and other personal protective equipment.

Rental power scaling units will be available for an **additional charge of \$20.00**. Our clinic utilizes Cavitron Jet (Dentsply) that uses **30k inserts**. The candidate is required to bring their own inserts. Concorde dental hygiene clinic will not be renting inserts.

1. Radiology Fee: \$40.00 ***optional fee***; made payable to Concorde Career College - Aurora.
  - a. This is an ***optional fee*** for those needing to take radiographs on site. Candidates exposing radiographs on site must comply with the School's Radiology Infection Control Protocol.
2. Candidate and patient parking are available to the public on campus. There is no charge for parking. The Dental Hygiene Clinic is located at 111 N. Havana Street, Aurora, CO 80010.
  - a. Candidates taking the morning examination may access the building at 6:30 AM and report to the reception area for check-in and access to the clinic. Candidates taking the afternoon examination should report at 11:30 A.M.
  - b. It is the responsibility of each candidate to provide their own patients and it is recommended that each applicant secure back up patients.
  - c. Children are prohibited in the clinic area. There are no facilities available for children; please inform your patients that children may not be left unattended in the waiting area.
3. ALL candidates must provide their own sterilized slow speed hand piece. Hand pieces must fit a standard four (4) hole ISO connection (most brands meet this requirement). Examiner Assistants will be present to dispense supplies and materials during the examination. Candidates must strictly adhere to ALL CDC guidelines concerning barrier protection and instrument / equipment sterilization.
4. Instruments are not available for rent. Ultrasonic units brought for use during the examination must have a water line with a ¼ inch quick disconnect hook-up to work properly.
5. Use of traditional, aspirating syringe, local anesthetic, needles, and topical anesthetics are included in the site fee. Concorde Career College plans to provide an on-site supervising dentist for authorization and supervision of local anesthetic.
6. There is no repair service available for equipment the candidate brings into the site. Please ensure that your equipment is functioning and that you have the correct size, connections, fittings, adaptors for your hand pieces and ultrasonic units.
7. Sterilization services are available only on emergency basis. Emergency sterilization requires a minimum of 60 minutes turn around. It is advisable that you have sterile back up set of instruments with you.
8. Safe transport – Instruments must be cleaned, wrapped, and labeled with the candidate number and name. Allow 60 – 90 minutes for instruments to be returned that are safe for transport but not patient use. All instruments will need to be re-autoclaved prior to patient use. The
